920 - Biography

920.994 - Australian Biographies

994 - History and Geography Australia

## Schaeffer Library Art Program

Our Art Program aims to inspire new perspectives and creative research by leveraging the Library's rich collection through:

### Artist in Residence Program

The Schaeffer Library Artist Residency offers a unique opportunity for a contemporary artist to use the Library's physical space and collection as a resource for one year. This program supports artists whose practice is rooted in research, encouraging experimentation and exploration of the Library's extensive holdings. The residency is generously funded by the Power Institute.

2024: Simryn Gill

2022: Imants Tillers and Jennifer van Ratingen

### Internship Program

The Schaeffer Library offers an exciting Internship Program designed for students eager to explore the early works of artists. Interns work with materials such as books, diaries, sketches, and other archival ephemera. Gain hands-on experience in cataloging and metadata entry. Enhance their knowledge of twentieth- and twenty-first-century art history. This program is perfect for students looking to deepen their expertise in art history and library science.

### Exhibition Space

The newly refurbished Exhibition Space within the Library provides a dedicated area for artists and curators to host small exhibitions. This versatile space fosters creativity and dialogue, showcasing works that connect with the Library's themes and collection. For more details, or to book the Exhibition Space contact library staff.

## Who are we...

Nestled within the University of Sydney's Power Institute Foundation, the Schaeffer Fine Arts Library is a treasure trove of resources for students, researchers, and art enthusiasts. It offers unparalleled access to a diverse range of materials focusing on contemporary and historical art, architecture, and design. Whether you're exploring rare collections or delving into modern cinema studies, the library is an inspiring space for discovery and learning.

## A Brief History

The Schaeffer Fine Arts Library was established to support the scholarly activities of the University of Sydney's Department of Art History and affiliated researchers. Over the years, it has grown through generous donations and acquisitions, becoming one of Australia's leading fine arts libraries. Contributions such as the Prof. Virginia Spate Collection and donations from the Sydney Biennial, Sydney College of the Arts, and the Museum of Contemporary Art have significantly enriched its holdings.
